FRIEND,—

We are addressing this Appeal to you at this season for three reasons:

(1) This is the time of the year when people plan **NEW YEAR Accomplishments**. What better work could you plan to carry through than a **Bible Institute**?

(2) We wish to make known the fact, far and near, that in Calgary Alberta, this prosperous city of the Middle West, a **NON-DENOMINATIONAL BIBLE INSTITUTE** is about to be established where young men and young women, and any others who may so desire it, may secure a careful training in Bible knowledge, Personal Evangelism, Homiletics, Public Speaking, History of Literature, and other kindred subjects, without fear of atheistic or modernistic theories, which undermine and destroy faith.

DO YOU SEE THE PRESSING NEED OF SUCH A COLLEGE?

We have sent this to you, believing that you will be interested.

(3) We want to give all earnest-minded, sincere-thinking people an opportunity to complete this project expeditiously, early in the Spring.

We have already received enough money to turn the sods and lay the foundation, when we are ready to begin, and now we must prepare for the superstructure. The foundation is of little value without the building proper.

To hire the services of canvassers would entail much expense, so we suggest that each of our friends will undertake to do a little, real boosting, and thus save the Institute that commission outlay.

WILL YOU DO YOUR PART?

THIS IS HOW WE PROPOSE TO DO IT.

The Calgary Prophetic Bible Institute will issue **MORTAR COUPON** (as per attached) to represent the cost of the mortar to lay one brick. Our friends will attach to these Coupons the amount necessary to lay a brick.

The cost of the Brick and the labor to lay it, we estimate at **Two Dollars**.

All you have to do is to write your name and address on the **MORTAR COUPON** attached, pin **Two Dollars** to it and send the same to the Calgary Prophetic Bible Institute, 1216 Thirteenth Avenue West, Calgary, Alberta, Canada.

You will then receive a **BRICK RECEIPT** and four **MORTAR COUPONS** to distribute to your friends.

You may attach more to your coupon if you desire to lay additional bricks, and you will receive three **MORTAR COUPONS** for each brick, and one extra for good measure.

You are then our personal representative with full authority to boost the project and distribute the **MORTAR COUPONS** on our behalf. Should we get returns from each of the Coupons, you will be credited with another brick. This may be repeated as often as you like. You may be able to interest some people far away, in the United States, in Eastern Canada, or even in the Old Country. Get into the game and boost.

Be sure to write the names and addresses of those to whom you give the Coupons, on the stub of your Brick Receipt, and send it in. Then you will be entitled to a **SOUVENIR BOOK-LET** containing pictures of the Institute and other interesting information.

The more people we can interest in this matter the better we have established the Institute for its work in the future.

People feel interested in the things they support. Those who intend to take a course in the Institute should become Boosters at once. It is of vital importance to you.

If any of your children or friends will be benefitted, then you and they should realize that **NOW** is the time for co-operation. If we all pull together it will be an easy pull.
