THE PROPOSED
**Bible Institute and
Church**

This splendid building, with the latest style of Church Architecture, will contain:—

- (1) *An Auditorium capable¹ of seating 1200 - 1500 people.*
- (2) *A Bible Institute or School Assembly Hall to accommodate 300 students.*
- (3) *Residence Accommodation for 50.*

**Would you not like to have a share in erecting
this as a Monument to the Faith
Once Delivered?**

OPPORTUNITY

*Master of human destinies am I;
Fame, love and fortune on my footsteps wait,
Cities and fields I walk; I penetrate
Deserts and seas remote, and passing by
Hovel, and mart, and palace, soon or late
I knock unbidden once at every gate;
If sleeping, wake; if feasting, rise before
I turn away. It is the hour of fate,
And they who follow me, reap every state
Mortals desire, and conquer every foe
Save death; but those who hesitate
Condemned to failure, penury and woe
Seek me in vain and uselessly implore.
I answer not, and I return no more.*

Build a Bible Institute for the Sake of the Rising Generation

FOR some time now, it has been felt by many lovers of the TRUTH ONCE DELIVERED, that there is a great need, in this Western Country of ours, of an Up-to-date Bible Institute or School of Learning where our young people, especially, and any others who wish it, can secure a good training in Bible Knowledge without having their faith undermined by atheistic, skeptic, and modernistic teaching, too often found in many of our present day theological colleges and universities. The cry of young people, who have had their faith shipwrecked, is to be heard on every side. Has it reached where you live yet?

Did you ever stop to consider where you would send your boy or girl when you desired them to learn something of the Bible? Have you ever pondered over this question in regard to your own faith? Do it for a moment or two, right now—and the problem will soon be apparent to you.

We want to help you solve this problem. You cannot do it alone. You will need to co-operate with others.

WILL YOU DO THIS?

YOU KNOW US

“Knowledge should inspire confidence.”

The Calgary Prophetic Conference and the Westbourne Baptist Church have been broadcasting regularly since November, 1925. We are therefore well known to you. You know our stand on the Bible. We believe it to be the Word of God and the only infallible rule of faith and manners. We are fundamentalists and accept the whole Bible as it is, without revision or addition of any kind.

You must surely be satisfied with our preaching of the Christ and His blessed Gospel. Do you know of many institutions that stand for the doctrines of the Lord Jesus—His Virgin Birth, Sinless Life, Atoning Death, Body Resurrection and His Glorious Return as we do? Do you wish this testimony to prevail? The time has come to put it on a permanent basis.

We want our broadcasting to continue. If you have apprec-

iated it we propose a plan of making it permanently available.

We want our popular Sunday afternoon meetings to be continued. Probably you are interested in this as well. Have they been worth \$100 to you?

Remember, some other lonely discouraged traveller may find that peace which passeth all understanding. If you have been blessed it is your duty to help others.

We want to supply you regularly with good reading matter. How are we to do it?

Our Proposal in Your Behalf

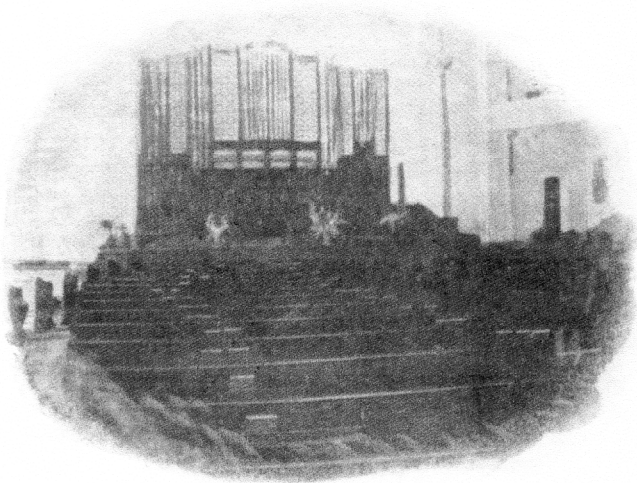

We Propose the Formation of

Westbourne Prophetic Bible Institute Church Association

for the purpose of building a combined Church and Bible Institute in a central location in Calgary at a cost of approximately Fifty Thousand Dollars (see cut on page 1).

The building is to contain:

- (1) An adjustable Auditorium capable of seating 1200 to 1500 people for church and lecture purposes.
- (2) A Bible Institute or School Assembly Hall with movable partitions to accommodate 300 students.
- (3) Residence Accommodation for 50 students.

View of Interior

Of What Value will it be?

"Not FAILURE but LOW AIM is crime."

The Westbourne Prophetic Bible Institute Church Association propose to serve its supporters and people generally in the following way:

(1) A Fundamental Baptist Church will thus be established where the pure doctrines of the Word of God will be regularly upheld and the Sacred Ordinances of the Christian Church will be properly administered.

It will be a real Church of the Open Bible.

(2) A Bible institute will be made available to our young people of the Western Provinces, and any others, who desire a careful training in Bible Knowledge, Personal Evangelism, Homiletics, Public Speaking, Bible Teaching and other kindred subjects, without the fear of atheistic or modernistic theories that undermine and destroy faith.

(3) A regular Sunday afternoon or evening broadcast of Fundamental and Prophetic Doctrines, which would enable our friends and supporters in the remote parts of the provinces to have the benefits of such meetings and such teaching brought to their firesides, and which would give them the privilege of hearing some of the leading speakers on religious subjects as they visit the Institute from time to time.

Possibly a mid-week Bible Lesson Course might also be broadcast if it was so desired.

(4) The staff of the Institute would be available for part of the year, at least, to hold evangelistic services or to give lecture courses, here and there, throughout the West. This would strengthen the local churches. Furthermore, as time went on, our graduates would be ready to carry the teaching of the Institute into the various districts.

(5) The Institute might also publish and distribute suitable religious literature, lectures, and probably a monthly magazine, so that our people could keep in touch with the latest and best in religious thought.

(6) For those who are unable to attend the Bible Institute, Bible Correspondence Courses might be arranged.

Without doubt the Westbourne Prophetic Bible Institute Church Association would become one of the greatest features in the religious realm of the Western Provinces. It is an investment worth while, not only here, but hereafter.

As John Knox worked and prayed for Scotland, let us work and pray for Western Canada.

Get your spade and turn the first sod!

It Can be Done This Way

Five hundred certificates of donation will be issued, each valued at one hundred dollars and representing one sod.

This would mean that we need the co-operation of approximately 500 vitally interested people. Each must dig down and turn up a \$100 sod. Some may take two certificates. Others may take ten or fifty, according to their means and as they realize the importance and value of the Institute to their loved ones and the West in general. A few may band together and get one certificate.

Now, tell us: How many sods can you turn over? Remember you can turn one or two now and plan to complete the job within, say, six months.

Surely in a prosperous city like Calgary and the surrounding country, with its promise of wealth, there are 500 people who are vitally interested in a project such as this?

*We might all do more than we have done,
And not be a whit the worse;
It never was loving that emptied the heart,
Nor giving that emptied the purse.
For the heart grows rich in giving,
All wealth is living grain;
Seeds which mildew in the garner,
Scattered, fill with gold the plain.*

Remember God's Word Declares

II. COR. 9:6-7—"He which soweth SPARINGLY shall reap also SPARINGLY; and he which soweth bountifully shall reap also bountifully.

Every man according as he purposeth in his heart so let him give; not grudgingly, or of necessity; for God loveth a cheerful giver."

Do you wish God's Smile upon you? Consider, then, if this is not the work of the Lord and give heartily. You will be surprised how God will bless.

Have you been finding it difficult to know where to invest your tithe money recently? Here is your opportunity—**Give the**

Word of God a chance. God loveth a cheerful giver, but not one who only gives a cheer.

*It's not what you'd do with a million,
If riches should e'er be your lot,
But what will you do at present,
With the money and energy you've got.*

If the money is forthcoming, we shall begin building operations about July 1st, 1926. If this is impossible, our building will be undertaken as early as possible in the spring of 1927.

The need of the Bible Institute is surely evident to us all. Let us then get behind this scheme and make the sods fly.

We enclose letter, cheque and notes for your convenience. Fill them out as you feel led, making as large a cash payment as possible.

The Executive Committee and Deacons' Board of the Conference and Church heartily commend this to your attention.

Respectfully yours,
