

The handwriting on the reverse side of this paper is that of WILLIAM ABERHART, B.A. who became Premier of the province of Alberta in August, 1935 and occupied that post until his death in 1943.

It is the order of service of a broadcast over radio station CFCM, the Voice of the Prairies, Calgary, Alberta, Canada, from 3 to 5pm from the Calgary Prophetic Bible Institute which was, until it's demolition, located at 516 - 8th, Avenue West.

I, Ian Smith (full name - Ian Ferguson Smith) was the baritone soloist on this occasion. This handwritten order of service was given me at a taping session of the male chorus of Canada's National Bible Hour at the Ed. Kennedy (son of Mr. Orvis A. Kennedy, Chairman of the Board of Management of the broadcast) Recording Studio in Edmonton, Alberta by Mrs. E. C. Manning, Music Director and pianist on Monday evening September 27th, 1982. Mrs. Manning was my accompanist on the occasion of this broadcast in 1933. She was then Miss Mariel Preston and was the official accompanist of the Institute since it's inception and beginning at age 14 when the broadcast commenced from the Palace Theatre Calgary in 1925. She married Ernest C. Manning on April 14th, 1936 and he succeeded Mr. Aberhart as Premier of Alberta in 1943 until his retirement in 1968 (He was made a Senator subsequently) Mr. Manning also succeeded Mr. Aberhart as Principal of the Prophetic Bible Institute.

The broadcast is now known as Canada's National Bible Hour and as of April 1983, 50 years later, is heard over 90 radio stations across Canada. I and my wife Marion are members of the musical cast as soloists and duetists. Mr. Manning and his son Preston are principal speakers.

PS Ian is also a member of the Board of Management

PPS As of September 1984 the broadcast commenced it's 60th. year of continuous weekly Sunday broadcasting
