NEW CALGARY PASTOR ARRIVES HERE THIS WEEK

Rev. E. G. Hansell Takes the Pulpit of Westbourne Baptist Church Sunday

Rev. Ernest G. Hansell, who recently accepted the call of the congregation of Westbourne Baptist church in this city, is expected to arrive in the city on Saturday afternoon from the west. Arrangements are being made to have him preach his opening services on Sunday, November 5. Rev. Mr. Hansell comes from Armstrong, B.C. At one time he was a resident of Calgary and so is known in the city.

Seventeen years ago Westbourne was but a little mission church situated on the corner of Second street and Seventh avenue. Later it was moved to the present quarters at the corner of Fourth street east and Thirteenth avenue. The work so increased that a call was lately issued to Rev. Mr. Hansell.

The new pastor has held several pastorates on the Pacific coast, he has been connected with several successful evangelistic campaigns and is in his work among young people that he is best known.

Rev. Mr. Hansell is an expert with chalk and blackboard. His chalk talks and lightning sketches have drawn large crowds wherever he has given them. Those who have seen the magazine published by the Los Angeles Bible Institute will remember that for many years the drawings that appeared in the magazine were from the pen of Mr. Hansell.

WESTBOURNE CHURCH'S NEW PASTOR PREACHES

Rev. E. G. Hansell Welcomed By Big Congregations On Sunday

Rev. E. G. Hansell, new pastor of Westbourne Baptist church, preached his opening services last Sunday before a crowded congregation. Taking for his morning subject "The Greatest Facts in the Universe, or Four Things a Minister Should Believe," he gave a very clear cut testimony and left his congregation in no doubt as to his own attitude to the fundamentals of Christian belief. He first made it clear that he accepted the Bible as the inspired word of God, and the only infallible rule of faith and conduct, and then proceeded to his four points.

1. Virgin Birth of Christ

He maintained that the belief in the virgin birth of the Lord was the great cornerstone of religion, for to deny it controverted the plain word of God and made Christ a sinner with the rest of mankind, and therefore unable to die for a lost humanity. People object to the virgin birth and say it is not scientific, yet Dr. Luke, a physician and scientist himself who knew Mary, the mother of Jesus, accepted the fact and also wrote of it in his gospel. While not belittling the life and example of the Lord, he pointed out that Christ came to die for mankind and not to live for them.

2. The Atonement

He lived a sinless life so that He might be able to atone for mankind and take their place as a substitute. He went to hell for man, and so has reconciled God all who accept Him as their Lord and Saviour.

3. His Resurrection

He not only died and went to hell, but on the third day He rose again, showing the truth of the words of His sacrifice. He rose from the dead that He might go to the right hand of the Father, virgin birth of Christ.

4. His Return

Some day He will return to this earth and occupy the throne of His Father. David, Mr. Hansell pointed out; however, that He was not himself looking for the coming of Christ to reign on this earth nor was He looking for that day when with the voice of the archangel and the trumpet of God, the dead would be raised from their graves and we, which are alive, would be caught up together with the dead to meet the Lord in the air and so be forever with the Lord—that this Blessed Hope of the Lord's appearing was his daily expectation.

WHALE CERTAINLY SWALLOWED JONAH

Rev. Hansell at Westbourne Baptist Declares His Faith in This

"I have less difficulty in believing that the whale swallowed Jonah than that man sprang from some lower named form of life," declared Rev. Ernest G. Hansell at Westbourne Baptist church last night.

"During the recent past," he said, "there have been doubts expressed by some to the authenticity of the book of Jonah, or to its Biblical interpretation. This means that they are asking if the book of Jonah is true."

"When the size of a whale's throat is considered, the idea that a man can swallow only small fish, can it be true as the Bible states, that Jonah existed in the whale's stomach for three days? Is it true that men of intelligence can nowadays believe a story like that?"

"Well," said Rev. Hansell, "let me tell you this. If the book of Jonah is not true, and can I say that any part of the Bible is not true? If there is someone who does not believe that certain parts of the Bible are true and others not? I say that if the book of Jonah is not true then Christianity is a fake!"

Rev. Hansell said that modernists maintained that God did not mean exactly what He said in the Bible. "But then," he said, "what in the name of common sense did He mean, for when God speaks He says exactly what He means and in such a manner that we can understand Him. And if He does not mean then He is not the kind of a God that I want."

"I may not understand how Jonah could spend three days and nights in the belly of a whale, but if God has put it in His sacred word then it is not ours to question why—ours to believe."

"I would rather believe what is said in the word of God than some of the teachings of the modernists give us."

It has been claimed that the tale of Jonah and the Whale is merely a piece of Jewish imagery, adorning a story with a moral meaning that disobedience will be punished. In the story Jonah is said to have been cast into the whale by God. He was cast into a whale by God—possibly some of the whale swallowing him. The whale was probably cast into the sea by God—possibly some of the whale swallowing him. This, declared Rev. Hansell, is a wrong interpretation of the story which, as the Jews took it, meant that when the Messiah came He would be three days dead and then resurrected. It was the final proof to them that Jesus was the Messiah.

"The book of Jonah was not a piece of Jewish imagery," said the speaker. "God says, 'as one, so the other' and if the book of Jonah is not true then the resurrection of Jesus Christ is not true either."

"Rev. Hansell made reference to the statement of St. Paul in his epistles to the Corinthians, that Jesus lived, died and rose again. "According to the Scriptures, by this St. Paul referred to the Book of Jonah and the 16th Psalm."

"Paul said: 'If Christ did not rise again, then is our preaching vain and our faith vain.' declared Rev. Hansell, and yet, eminent Bible student in the United States—a man who is famous all over the continent—states in a newspaper interview that there is every hope of recovering the body of Christ from the tomb. It may have been entombed. 'I'll bet you where you will find the body of Jesus Christ. You will find it in heaven seated at the right hand side of God."

"The time has come," said Rev. Hansell, "when Christian men and women must fight for their faith. I declare that Jesus is a very God and that every word in that old Bible which reveals Him is true from first to last."

WILLIAM W. BUCKLEY SHIELD

Defeated Other Calgary Sunday Schools in Scripture Memorizing

Westbourne Baptist church won the senior, intermediate and junior shield presented by J. C. Buckley, M.L.A. of Guelph, for Scripture memorizing. Calgary Sunday schools, winning over Hillhurst Baptist and First Baptist church. Mr. Buckley presented the shields Thursday evening at Westbourne church. Last year only one shield was presented for the three divisions, but this year, in order to increase the interest in the competition, three shields were given.

J. C. Hunter was chairman of the meeting. Each department gave an exhibition, after which the shields were presented. Messrs. E. G. Hansell and N. Hutchison sang a duet. Bible speeches were made by William Albright, Mr. Hampton, of Vancouver, and Sunday School Superintendent Ford, Northfield and Springgarden.

The competition was divided into two parts: (a) Average number of verses memorized by the school, as a whole in each department; (b) average number of verses memorized in each home—both contests taking place the same night. Each school had two teams of five each, in each division. The shield has to be won by the same school three times in succession before it can be retained permanently.
Westbourne Baptists
Will Enlarge Church

An addition will be built to the present Westbourne Baptist church, Thirteenth avenue and Fourth street east, to take care of the steadily increasing congregation. This announcement was made at the annual meeting of the church held last evening. A committee of four was appointed to discuss the question and to confer with local architects with a view to having the alterations made as quickly as possible.

Officers were elected for the new year and the reports of the various departments of the church were received. Every department reported a very successful year last year. Three officers were appointed to the board of deacons for a period of three years, namely, Dr. W. T. Harvey, H. Scrimgeour and Mr. Stockton. R. Lambton and G. E. Bradley were elected for a two-year term. The following officers were also elected: Building superintendent, J. Leighton; treasurer, H. Scrimgeour; assistant treasurer, H. Arnold; teller, Mrs. Perkins; auditors, H. Aberhart and E. Hutchinson; church clerk, H. Aberhart; vice-president, president of Calvary Prophetic Conference, William Aberhart, B.A.; president, Young People's society, Noel Hutchinson; president of Women's mission Circle, Mrs. Dr. Harvey; Sunday school superintendent, G. E. Bradley; chairman of ushers, J. Dick; baptismal matrons, Miss E. Mansson, Mrs. Rogersor, Mrs. Perkins.

Sunday School Had Good Year
The Sunday school had a very successful year, no less than 232 members being on the roll when the year closed. Mrs. Aberhart, who is in charge of the primary grades, was especially successful.

In presenting his annual report, Rev. R. C. Hanes, pastor of the church, said that all departments of the church had gone over the top in splendid style and he wished to take this opportunity of thanking the congregation for the great way in which they had supported him during the year. They had raised from all sources during the year the sum of $5,000, and the trustees had reported that the church was free of any liabilities. He closed by hoping that the next year would be as successful as the year 1924.

Stress Importance of Reading Bible

Considerable interest is being manifested in the meetings at the First Baptist church. On Friday night Rev. Hansell spoke on the necessity of Christian people living the Christian life. "People are not reading their Bibles today," he said, "and the Bible is God's only revelation to mankind in which Christ is shown in all his fullness. But if people are not reading their Bibles, where are they to find the Christ? They are looking into the lives of Christian men and women. The world looks at the church today and says, 'Sir! We would see Jesus.'"

The speaker then elaborated on the doctrine of the substitutionary work of Christ, showing that those who had been born again had passed from death unto life. "How can we refuse to live for Christ in the light of what he has done for us," he said.

Mr. Hansell is to speak on "The God of the Bible" Sunday morning, and the evening his subject will be, "Something Absolutely Impossible in This Age of Possibilities."

"At Your Wit's End"

There is a growing impression among eminent private thinkers that Christianity is losing its hold upon man, and that the church is a wasting power in the religious world; it is drifting from its moorings, and faith is becoming a tradition of the past. Is this so? Are you interested enough to know the truth?

There's a wave of indifference to spiritual things sweeping over the world. Are you taken with it? Does it pay to look at man's spiritual needs? Does it pay to look into the future? Suppose there is life after death. What then?

It is only as we understand the importance of a definite decision that life becomes what it should be. "There is a tide in the affairs of men which, taken at the flood, leads on to victory."

Special Services at
First Baptist Church

A large crowd found their way to
the First Baptist church on Thursday
evening to hear Rev. Ernest G. Hansell
of Westbourne Baptist church, Cal-
gary. Speaking to a special gathering
of the Young People's Society, Mr.
Hansell took for the foundation of his
topic, the simple story of David and
Goliath.

In part Mr. Hansell said: "David
had learned in his early life to trust
in God who had given him the victory
over the lion and the bear. Was God
going to fail him now in his task
against the Giant. No! He will nev-
er fail the man who has taken time
to learn to trust in Him. The Young
People of today must realize that the
first essential to a successful life is
to have faith in God. It took a good
deal of courage for David to look the
big fellow in the eye and say 'I come
to you in the name of the Lord' and
so today if we are fighting life's bat-
tles it takes courage to face the world
and let all men know that we are
trusting in God. The young man and
young woman does not have to take a
back seat in the world just because
they are living the Christian life. The
Christian young man is not a wispy
washy doormat proposition but a liv-
ing example of real manhood." The
speaker then went on to say that suc-
cess of a Christian life depended on a
man's surrender to God and his trust
in what God can do. "The world has
yet to see what God can do with one
who has consecrated personality," said
the speaker.

Mr. Hansell will preach at both ser-
VICES of first church on Sunday and to
the Sunday school at noon.

birthday of the union of Presbyterian,
Methodist and Baptist denominations
in this town, were largely attended
on Sunday last. The speaker at both
the morning and evening services
was the Rev. E. G. Hansell, pastor of
Westbourne Baptist Church, Calgary,
and his discourses were much enjoyed.
Special anthems were rendered by the
choir. So great was the rush on Sun-
day night that the building was pack-
ed to the doors and about a hundred
were turned away, being unable to
get in.

Calgary Pastor Closes Revivals

OLDs, Dec. 15.—With a presentation of the question, "Some Other Time," and a short talk on the Christian life to young Christians, Rev. E. G. Hansell, late of Calgary, brought to a successful close on Sunday evening, December 12, the revival services which have been conducted in the First Baptist church at Olds under the direction of the pastor, Rev. A. J. D. Milton, for the past three weeks. Rev. Mr. Hansell's sincerity and enthusiasm won for him an audience which returned night after night throughout the meetings, during which a large number of confessions of faith were made, many of them by young people.

Rev. Mr. Hansell has accepted the pastorate of the First Baptist church at Camrose, and plans to assume his duties there immediately.
