At the nominating conventions three candidates will be selected, from which Mr. Anderson and his Advisory Board acting in conjunction with the Board of Directors for the constituency will make the final selection, as was done for the provincial nominations.

Dear Candidate:

It is the intention of the Alberta Social Credit Chronicle to issue a special pre-election edition for the week prior to the provincial election. This edition will be an issue that will appeal to all of the electorate and will contain, if possible, a picture of each and every candidate for Social Credit in Alberta, with a short write-up of each individual.

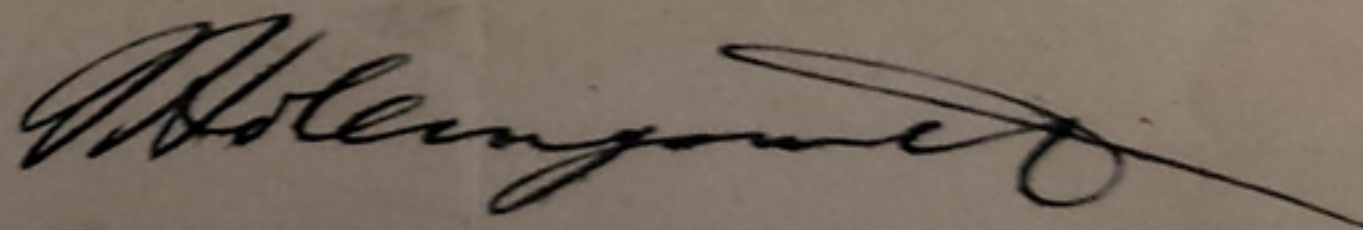

These cuts as you are aware, are somewhat costly and also the publishing of this extra edition. To offset the expense, we are asking each candidate for a donation of five dollars to pay for the cut and space in the paper. This cut will become the personal property of the candidate and he or she will be able to use it for election purposes and will no doubt be found more than useful, also the cut will again be used after election when every Social Credit candidate, it is to be sincerely hoped, will be victorious.

Kindly forward your photograph together with the five dollars, to this office within five days for the making of the cut, and the cut will be returned to you with the photograph.

Trusting to have your co-operation in this matter and wishing you every success in your campaign.

Yours for a 100 per cent Social Credit Government.

The Alberta Social Credit Chronicle

F. Hollingworth,  
Business Manager.
