Our new office—the head office of the Social Credit Association of Canada. National President, E. G. Hansell, M.P., officiated at the opening ceremony which took place on January 29th, 1954. He was assisted in cutting the ribbon by Hon. Eric Martin, Minister of Health and Welfare for British Columbia.

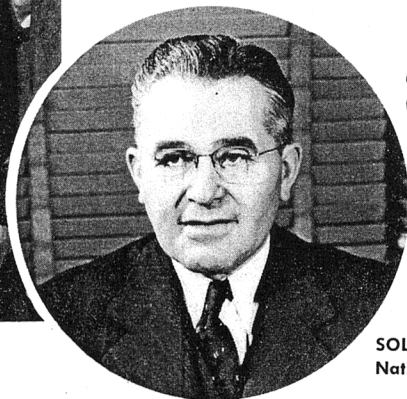

The location was selected with care that it might be of service to our many friends and members. Seven Pleasant Boulevard is just across the street from the busy St. Clair subway station and just a short city block from one of Toronto's main intersections, St. Clair and Yonge.

Make a visit to the office a "must" when in Toronto.

SOLON E. LOW, National Leader.

The Social Credit Association of Canada has come a long way since it became a National Organization in April, 1944. Much credit is due to the very capable leadership of Solon E. Low, M.P., National Leader, (pictured at left) and to the members of his executive.

We are Building

With the valuable advice and wise counsel of Hon. E. C. Manning, Premier of Alberta, and in more recent years Hon. W. A. C. Bennett, Premier of British Columbia, Mr. Low and his executive have built a strong and healthy Organization stretching from coast to coast.

We are Expanding

The amazing program of progress and development in Alberta and the spread of the Social Credit movement throughout British Columbia has created an insistent demand for the introduction of similar principles and policies in eastern Canada.
