

I Chron 21:14-27

I Chron 21:14-27

Isa 55:1-11

(1). "Four Things God Will Never Do in ~~Med. Hat~~".

HEB 9:11-28

Introd:- (1). Topic. Gen opinion of citizens prob. be God nev. do anything in this ~~city~~. Or extremely rare. Only when some calam. strikes..declared be "Act of God". Strange idea! When sun shines..rain in season..harvest days..children born good in stores..very few say "Act of God". Yet all these beyond men..Whose acts are they? (2). Most citizens thor. convinced this ~~city~~ run by mayor..aldermen..business houses..bus drivers..CHR..(even time!)..radio station..polit. parties NOT SO. God is doing..or will do..at least 4 things in M.H. a. Observing. Prov.15:3. Make uneasy? Observes on street..in office..store..school..home..ev. room.. In "every place". You have no privacy from God. NEVER. b. Doing good. Acts 10:38. Still today..Yea..food today..Thank God? Ev breath. heart beat. Ev'where..goodness of God. Why? Rom.2:4. c. Writing a Book. Hist.of Med. Hat. Record. Minute..perfect as observed in ev. place. Harlot, libertine, drunkard, blasphemer, liar, unclean, pure, righteous, sinner and saint.. Mal.3:16..Rom.2:5-6. Saving it all up..on record! d. Prep. to judge ev. man. God WILL. Rom.2:3. Coming..Rev20:12. The big hats..little hats. Med. Hats. Unseen, unknown..these four processes going on TODAY. c/f Eccles. 11:9.

God does with cities - c/f Rom. 14:17

Now look at the other side. 4 things God never do.

(a). Some things people wish God do..He never will..Cannot. God do everything? NO. Omnipotent..all-powerful..But His power governed by His will..nature..character. Illus:- True father able treat child cruelly..but cannot bec. of love. True ~~man~~ able lie..but cannot bec. of honour. So God. (b). FIRST:- God will never lie in Med. Hat. NEVER. Listen Titus 1:2. God cannot lie. Impossible..Heb.6:18. Never lie THEN all says is true. Some wish was not. Bible is Word of God..His speaking to men..TRUE. Ev. word. About sin..Rom. 3:23. And its consequences..Rom.6:23. About hell..Lk.16:22 23. About judgment..Gal. 6:7. About X... John 1:7..Acts 13:37 God cannot lie..whenever Word read, spoken in MH..TRUE! (c). SECOND:- God will never bless abundantly unyielded life Blesses generally..ev.day. But let no X'n bel. he can know al joy, peace, happiness, power with life not completely yielded to God. TIME WE WOKE UP! Listen:- Ps.1:1. God wants bless..abundantly..BUT:- Isa.59:1-2. Listen again:- ~~xxxxxx~~ James 4:4. Time we put God FIRST..where He shd. be..in our time..talents..talk..ambitions..families..homes..money. FIR. We talk and pray for revival..NEVER COME UNTIL..II Chr.7:14.

II. But that's only half story. Two more vital matters.

(a). Listen for life:- THIRD:- God will never save an unbeliever. Let God put finger on real issue of human soul. vo

c/f Titus 3:5..Ephes 2:8-9. Not matter of how good..bad. God looks far deeper than that. HEART. Attitude to Son He sent to redeem..pay sin price. Some say "Doing best can". Not true. You know that so. Not always. Even if did..not enough..c/f Rom.3:23. "Short". Listen again:- John 3:36 Belief is dividing line. So we read of final human state..Rev.21:8 Unbelief is in sight of God as sinful..or more..than murder, whoremongering. God will NEVER save an unbel. in ~~the~~ John 8:24.

(b). FOURTH:- God will never save anyone apart from blood of X. There is no other cure for sin. No other price is enough.. Rom. 6:23. Declared over and over again. (Heb.9:11-14). I Pet.1:18-19. "...Without shedding of blood is no remission". c/f Adam..Abel..Passover..High Priest and atonement.."Lamb of God". Stops there..no more needed.."It is finished". God cannot save apart from blood of X. Impossible..Rom.3:24-26. If God overlooks sin..not just. How then save sinner? BY-SUBSTITUTE..AND SINLESS SUB..AND BLOOD OF THAT SUB.

Conclus:-1. Why speak this today? That you may never fall into error of looking to God for what He will never do..can never do in ~~the~~. And that you may be moved of His Spirit to ask of him what he so willing, able to do..for you..in this city..today.

2 Will you believe on X? WILL you? "I can't believe"? Not so. God COMMANDS you to believe. If you WILL to bel. He will nev. fail give you faith..His gift. The latch on the door is your WILL. "I WILL receive the Saviour". He WILL save you..cleanse..free..preserve. Illus:- Captain John Coutts, & Willie Platt, the cabin boy..Isa. 53:5-6.
