

(1). "God's Blueprint for 1963".

Introd:- (1). Tonight this is my topic..TOPIC. Something tremendous in scope..importance. Let me then begin by laying foundation of simple but vital truth..Heb.11:6. We begin where Bible begins.."In the beginning, God". GOD IS. God is God. God is Almighty, all-knowing, all-seeing, all-present eternal GOD. God is SOVEREIGN GOD. If He were not sovereign, He could not be God. "That's Calvinism". Not int. in Calvin at moment..This is BIBLEISM. And bcc. God is sovereign..world affairs nev. out of hand..nor affairs of individual people..and GOD has blueprint..1963. for life of every individ. on earth..You..Me. (no evol.) (2). Vigorous objection.."I plan my life"..Certainly. Ought to. God expects. Man without plan, aim, purpose is like ship without rudder, compass, chart, pilot. You MUST choose. God given free will. "Arminianism". No, BIBLEISM Yet still true God has foreseen..and planned for 1963. NOW SEE THIS:- When those two plans..His and ours..COINCIDE the result is the complete, happy, wholesome life of sparkling JOY..and only then. When they don't..there is nagging uneasy moral and mental conflict in souls that no frivolity or argument can drown out. I WISH YOU A HAPPY 1963!
