1. There are some Scripture statements that do not apply to all Christians..even though they be in the form of a commandment. Here is one in Matt. 28:6b. The first part of the verse (read)..is for all of us..the glorious truth that our Lord rose from the dead..conquering death, hell, every Satanic force that rtried to prevent that resurrection. "Whom God hath raised ~~from~~ up, having loosed the pains of death: because it was not possible that he should be HOLDEN of it." Seems appar. that all powers of hell tried to prevent His resurrection. NOT POSSIBLE! He arose..and some day "every knee shall bow" at His name "And every tongue shall confess that He is LORD2..not their personal Lord..but LORD of universe..God over all. Even rebel Satan who tried dethrone Jesus for the Godhead and take His place..will have to say it. "Jesus is the ruling Lord.."and his stubborn, rebel knees will fold under Him. Glory to God!
2. But not every X'n is commanded to go and see the exact place where our Lord's earth-body laid for 3 days..nights. /..Wed, sundown..to after Sat sundown. It has been..and still is the awesome privilege of some to walk with reverent step through that sepulch~~er~~ door..to stand in wondering worship at sight of an empty place..and say again "He is not here. He is risen."
3. Tonight, by means of the ~~phit~~ camera and the marvel of photography..I propose that we all go, by faith, to stand in that sacred place. In doing this I want to take you on the journey that Bro. Kennedy and I travelled in 1968, from Calgary to that empty tomb, place by place in chron. order..a select picture from here and there. We saw many interesting things on the way, and learned many lessons as we went. Tonight we share with you this Journey to the Empty Tomb....
