

What? - Are there? - What like.
(1). "The Day the Atheist told the Truth". *Why be that? (But of response, return)*

Intro:- (1). Despite all heard today about lies atheists tell..want talk to you about (topic). Atheists sometimes tell truth..not bec. love truth..but bec. use it for own ends. Yet still truth..ought be faced..no matter how terrible it might sound. (2). Now atheists, liars and deceivers in so many things, will tell the truth in an attempt to discredit God..to so be foul and besmirch His holy character as to be able to say that it is imposs. for such One to exist at all Today want you listen to truth as an atheist tells it.

I. Take this from leaflet pub. by society for spread of Atheism

(a). Contains half doz. pictures..supposed to be portrait sketches of well known O.T. char. Ugly, villainous looking.

Yet carried names of such men as Abraham, Jacob, Moses, David And under each one descrip. of life..and certain BIBLE states

(b). Listen to an atheist's argument:- "Bible tells us Abram coward, willing sac. honour of wife, Sarah, to save own skin (Gen. 12:11-13)". Yes, that is true. "Yet here in James

2:23 this man is called the Friend of God, is he not?" True "Then what kind of God is God of Bible..make friends with such dishonorable man?" Now is not atheist perfectly right

in thinking holy God not remain holy and yet fellowship with sin? (c). Under pic. of Jacob, we find this:- "Was not Jacob a cheat and a liar, when dealt with father Isaac, later with

Laban?" Yes, true. "Yet in Gen. 32:28 God calls him a prince and allows Himself be called God of Jacob" True. "What sort

of God who chooses such men without pun. their sin?" The atheist is perfectly right in making such enquiry. What then

of a judge who lets criminal go..makes him his own assistant? (d). Atheists then present Moses. "Was not Moses a murderer

and fugitive from justice, as described in Exod. 2:11-15?" Yes, he was. "Yet did not God of Bible choose send to Egypt

as own rep..leader..put into his bloody hands tables of law containing command..Thou shalt not kill?" Yes. "Then for

murderer to preach Thou shalt not kill is hypocrisy What kind of God use murderers for messenger?" Atheists are right

in such thought about God. (e). Another char. in leaflet is David. We read of his adultery and of murder to protect his

adultery. Read of "his sore that ran in the night" in most horrible language not here repeat..And then atheist adds:-

"Does not the Bible say, in Acts 13:22 that David was a man after God's own heart?" Yes it does. "Then what sort of God

is God of Bible that could find anything in such a man that endears him to a holy God?" What indeed?

remarkable

II. Now ~~say~~ thing about all this lies in fact all true'.

(a). Far from seeking to deny...let me admit facts at once. Bible facts. Record is true...inspired of God's Spirit. Infallible. God knew not right or just to overlook sins of guilty men...yet went right on doing it thru. period of O.T. And in so doing left stain on His Name! A stain on name of God...for centuries. If we did not have N.T. we would never know ans. to that problem.
(b). Atheists claim not moral forgive sinners without pun...sin. Innate moral sense tells them that. God makes same claim! He will by no means clear guilty...must pun. sin. Atheists think these men of O.T. deserved diff. fate to what received...and that God sullies Himself when holds such to bosom in love. Atheists right in teaching God is not only love but hate. That teaching needed today. A good God must pun. sin. Atheists right Abram. Moses...all rest deserved go to hell. So do I. So do you. Illus:- Lady going down coal mine...warned but insisted on wearing white shoes. "You can wear white shoes going into mine...but you will not wear them white out of mine". c/f Prov. 6:27...Well, God can You take sinner into bosom and not be dirtied?" "YES I CAN!"
(c). How? There is a way. ONE WAY! That way can never be learned except at cross of L.J.C. Atheists stopped with O.T...missed point Not only did Lord Jesus die to take away our sin...but also to remove a scandal from name of God. Romans 3:24-25. All those sins that were past...held over by forbearance of God...WERE PAID FOR...IN FULL BY DEATH OF X! The God of love spared the sinner. The God of hate...hate of sin...pun. then all in His own Son. If X had not died for sinners, God would not have any right take any sinner into clean heaven. And death of X removes the stain forever from Name of God. He did what seemed unrighteous...unjust...as atheists accused Him...yet by death of X His righteousness is declared, vindicated forever. So Romans 3:26

Conclus:- 1. Neighbour, where you stand in this matter? If you bel. God righteous to condemn sin...you condemn yourself to eternal sep. from Him unless also bel. His love and mercy sent X to cross for your sin. There are not THREE places in universe where your sin may be...only TWO...On your self, or on Saviour. Which?
2. Do you submit to God's verdict about sinfulness of your sin? Then submit to His verdict that death of J.C. perfectly satisfies for sin. Atheists and you are right when say God must be holy. Atheists are wrong when refuse way of salv. that sat. all condition of God's holiness and their need. Do you?
God's gracious invit. wide open...as it was to sinning Abram, Jacob, Moses, David, sinners all. Does not ask you cover sin...but confess it. Then let Him lead you to place where there is atonement...price paid...cleansing stream...Calvary...I. John 1:7.

MY ADVOCATE

I sinned. And straightway, posthast, Satan flew
Before the presence of the most high God.
And made a railing accusation there.
He said "This soul, this thing of clay and sod,
Has sinned. 'Tis true, that he has named Thy name,
But I demand his death, for Thou hast said,
"The soul that sinneth it shall die, " Shall not
Thy sentence be fulfilled ? Is justice dead ?
Send now this wretched sinner to his doom,
What other thing can righteous ruler do ?"
And thus he did accuse me day and night,
And every word he spoke, O God, was true.

Then quickly One rose up from God's right hand
Before whose glory angels veiled their eyes.
He spoke, "Each jot and tittle of the law
Must be fulfilled; the guilty sinner dies;
But wait - suppose his guilt were all transferred
To Me, and that I paid his penalty.
Behold My hands, My side, My feet; One day
I was made sin for him and died that he
Might be presented faultless, at Thy throne
And Satan flew away, full well he knew
That he could not prevail against such love,
For every word my dear Lord spoke was true.
