Intro:- (1). Today..story of woman with bad name. Let me read Joshua 2:1-2, 6-15... Rahab the HARLOT. Rahab means "proud"..the proud harlot. Lived in beautiful city..in geolog. wonder..hot, tropical trench of Jordan Valley..far below sea level.."fr" Prosperous place..trade routes..fertile..well defended..plenty of MONEY. There Rahab practiced most immoral trade on earth. Selling her body for money. Wealth and wickedness often together. Luxury and lust side by side..Money and immorality often neighbors. (2). And in that beautiful, fragrant, golden city/. The name of Rahab stank..Some laughed, scoffed, derided..In respectable circles..some bitterly condemned..no doubt tried have ejected. MARKED WOMAN* Illus:- In England..yrs gone by..women branded on forehead..scarlet letter "A".. "Adulteress"..MARKED! ~~Refracted by~~ Rahab named in Bible.. "The Harlot" ^{even so} Sin known..house notorious. Damned in eyes of men, God..Candidate for hell if ever was one.

I. Now say something strange..This woman little diff..all of us.

(a). Born a sweet..innocent babe..held in mother's arms..lovely darling girl..Went to school..educated..clever..attractive.. Don't know how became harlot..who at fault. Perhaps some lustful young libertine seduced..some lecherous moral leper ruined..Perhaps love of money..thought find easy life..

(b). Became Proud Harlot. marked woman. What proud of? Perhaps face..form. But sin soon mark..mar..twist..stain beauty.. poison body with disease, weakness..Sin brings death..Rom.6:23. Proud of family ties..Loved parents..Josh.2:13..Loved mother, da

Illus:- Mother sac. out of poverty..son to college..Graduation came in old dress..face lined..hands gnarled..Son refused recog. broke her heart. Ought to have been horsewhipped. Rahab loved.

(c). Said most of us like Rahab. Few on earth without some good human quality..BUT..NONE ON EARTH..not marked with sin.. Rom.3: 23.. Stain is there..scarlet letter "S".. "sinner"..on ev. human soul. No better than Rahab. Sin has marked your face..body.. blood. Marked for death. BUT MORE..Rev.20:12. Marked in books of heaven! You and I sin, forget..but that eternal record marked Sin makes ev. man, woman candidate for hell..as much as Rahab.

II. But now read on. Rahab received another mark..made diff

(a). Heard about great God of heaven..vs 10 "We have heard how the LORD". Then she met some of God's people..vs.1. Men came into her house, not to sin but to serve God..witness..live for H AGAIN, Rahab like many of you here. Any here never heard God's Word..Bible? How many never heard Gospel? How X died.....? How many never met real, genuine, honest, out and out X'n? No, never mind thinking..that old hypocrite..God has less use for that one than you. You now know are real X'n
