Next? No Prayer meeting. Will you go night after? No, Y.P.
night. Well, when will you? I don't know of any night I
can give you in next thousand years. Might fix one up 1,000
yrs from now..but just not open night until then I can give

worth nothing to the devil! What you doing tomorrow?

(a). FACT NO 1. God has a plan. For tomorrow..all of the
Be sure of that! For Adam..Noah..Abrham..Moses..Joshua..

David..Daniel..John Baptist Lk. 1:13, 16. Paul. Acts 9:15-16
When God declares those plans, we call it "Prophecy". Told

Prophecy is God planning ahead..then revealing plan to men
(b). FACT NO 2. God usually works out His plans through

people. WE are called upon to play our part. Too often we
make own plans without reference to God's plan.. "Going be

fireman, engineer, financier, lawyer, doctor, nurse, teach
missionary, husband, housewife". But here is the real

DIGNITY OF LIFE..to play our part in the plans of God.
(c). FACT NO #3 God is counting on us..for His plans in

our day. There are 2 great essentials for getting will of
God done. 1. Moving of God in heaven..planning, revealing,

stirring hearts. 2. Obedience of men on earth. Then done.

II. Look at this as it worked out from time to time. Nov 10/60

(a). In Scrip. we read..Matt. 21..vs.4-5. "That it might be
fulfilled"..Filled full. What? GOD'S PLAN..foretold by the

prophet. That expression 40 times in Gospels and Acts..
16 times in Matthew. Look:- Matt. 2:15, 23 How work out?

by obed. of Joseph to what God said..His plan. 4:14, 8:17
12:17. Life of L.J. FULL of this..for He implic. OBEYED.

His life summed up in Heb. 10:7. What you do tomorrow?
(b). Now back to story. What God planned? That His Son

ride into Jerus..in humble fashion..as example..taking our
place. Riding despised beast of burden. Donkey and colt.

And glorious result in mind..vs.10. God wants stir cities.
(c). Ho brought about? By OBEEDIENCE OF SOMEBODY..not name

All this man had to hear was that God had a plan..and NEEDED him to play his part. At once.."straightway"..no hesit..he did what God wanted. - And great plan of God was fulfilled.

(d). Isn't that glorious? What privilege is ours..every day. Now what this man do? ① He had something..belonged to him

② It was tied up. ③ He loosed it and gave it to the Lord

WHAT DO YOU HAVE THAT CAN BE USED IN THE PLANS OF THE GREAT GOD OF HEAVEN? "O nothing of mine". Never say that. God

planned..given you a part. Some of us have some money..much or little. Perhaps tied up..locked up in PRISON. Yes, that's what

a bank is..shuts up money behind bars. Time we prayed money out of jail..as church prayed Peter out! Set it free for God.

Some have "bonds". That's good word! Money in "Bonds"..Tied. Time loose for God at home and far abroad! Loose it..and the

colt too..principal and interest it has produced! Not just colt. Again:- Some of you parents have little colt at home..son or

daughter. Tied to you..by affection..ambition for them.."The Lord hath need of them". Loose them..encourage to B. Sch....

Now let me say this to Y.P. here. You are richest people in this building. Greatest treasure of all..AN UNUSED LIFE.

UNSPENT. FRESH. UNSPOILT. Is it getting tied up to some ambition..own plan? The Lord has need of it..to FULFILL p

Introd.:- (1). This morning study will be topical..move around quite a bit in Bible..Chosen:- Topic. Let me spell "Breaches" No double "e" in it! Good deal of man's spirituality may be estimated by breeches..whether worn at seat or knees! But... Out of this topic going try carry 4 distinct, yet related lessons. May God speak to us! (2). Now before get to hedges breeches..want sound a key-note that will be climax. Strongly reminded other day..Rosell..this text..Mk.10:27. We need that reminder. Spoke to this class long time ago about preposition used.."WITH"..not "TO". Get WITH greatest men poss..and still many things imposs. Get WITH GOD..in harmony, love, fellowship, intimacy..nothing impossible. True? Believe it? Experiencing it? Not to glorious degree God intends. Bel. study today will help us to attainment of such position.)

1. Hedges! Frickly, thorny, thick-set hedges..What for?
(a). First lesson Bible teaches us about hedges is wonderful blessed, glorious..fills heart with joy, thankfulness, AMEN. Here is that famous "law of first mention" in operation. Imp First mention of hedge..Job.1:6-10. Transported behind the scenes, we see what Job never saw. That we might learn.
(b). Notice sev. imp. matters involved. (a). Access of Satan, to God..as accuser of brethren. Real. Remember. (b). Sphere of Satan's activities..whole earth..latitude (up and down) longitude (up and down)! Across our lives..paths..TRUE..REAL.
(c). Satan's burning desire.."Hast thou CONSIDERED.." "Set thy heart on". Better a man is..more urgently Satan desires to pull him down. God help us! (d). Ah, that's the greatest part of this story..vs. 10. THE HEDGE IS THERE! How wide an area
1) Him..personally..health, sanity, safety, personality, spirit
2) House..not just building..home..family..loved ones..c/f Rahab gathered all into house. 3) Possessions..business. and "on every side". Insured against every emergency.
(c). Sound like too much? More to say later. Let us learn here that the hedge is GOD'S PROTECTION AND CARE OVER HIS OWN! c/f Isa. 5:1-2a...Matt. 21:33. There is a hedge. Now thank God. We shall nev. know how much saved from...until...

II. Now a moment to talk about breaches..in the hedge..????
(a). At once bemused. What use of hedge if has holes in it? What God think doing? WAIT! There are no holes in God's hedge..until they are MADE. By some agency. Then trouble... How are they made? Not by Satan..directly. Two other ways.
(b). FIRST:- By God. So many utterly fail to und. that. But history of Job is that of God's permissive will allowing Satan come thru. hedge. Job did not make breach. God did.

To test..try..refine..show need..c/f II Chron.32:31.
c/f Psalm 80:12. When God does this..call to us..for FAITH.
c/f Health, as Job..Possessions too. And house. How know when
God doing this? When the other cause not to be found! Search!
c). Other cause of breach is personal SIN. Failure to do will
of God. Compromise. Reaching hand out to world..breaks hedge!
What broke strong walls around Jerusalem? II Kings 21:10-
13. SIN. Isa. 5:5..Isa. 30:12-13. When we sin we break
down the hedge from the inside..make breach..open it to devil.
c/f Adam..broke his hedge...So Paul cries..Ephes. 4:27 "Topos"
a spot. His exhortation is to keep an unbroken hedge..

III. Now at once I believe I know cry of your heart..mine.

(a). Hope cry of deep concern.."We break the hedge..we sin".
True. How oft we ought weep! But there is more to do than
that. Some repairing to be done. Want to earn a title? Here
is one God gives..Isa. 58:12 R.E. Better than DD. Read context
Our urgent business..replant breaches in life with genuine
plants of repentance..water with tears..plant on knees..firmly.
c/f I John 1:9. God invited us..Psalm 50:15...God give us grace
and strength to shut out world, flesh, devil..no weak place..
no gap..c/f Samson. Strength lay in SEPARATION (hair symbol).

(b). Another side to this matter..little time to tuck on today.
Sometimes the breach is cumulative, cooperative, communal.
A Church may make breach. Most serious. And some time may
elapse before any repentance comes. What then? Duty devolves
on spiritual men, women to PRAY. See Ezek. 13:5. Two things:-
Make up hedges..call to repentance. And in meantime stand in the
gaps..personally..with own body..spirit..and PRAY..Hold very
devil at bay! See God's call again..Ezek. 22:30. God help!
the group that has no man..risk personal name, popularity.....
God once found such a man..Psalm 106:23..Wrath of God, stirred
by sin that made breach. Moses held devil out..Cancelled wrath
How? HE HAD ONLY ONE WEAPON..PRAYER! Read Exod. 32.
May God stir us to be men, women..make up hedges..stand in gaps

Mk. 10:27

Conclus:- 1. Last lesson is greatest..and simplest..clearest.
Our greatest lack..and greatest need..is prevailing prayer.
And that power is given to men behind hedges unopened by sin.

THE POWER OF ACHIEVING FAITH IN PREVAILING PRAYER IS GIVEN ONLY
TO THOSE WHO HAVE NOTHING BETWEEN THEMSELVES AND GOD".

2. We race against time. ~~John~~ (Would you do something really
great for God bef. end comes upon us? Joshua did in sim. case.
as time ran out..Joshua 10:12 He spoke to God FIRST..and did
more. God not going stop sun, as far as we know..but He can
stir us up..make use of time. Science searches for ultimate
weapon. WE HAVE IT! in spir. realm. Prayer..behind whole
hedge. World and devil out. What want? Ease, selfishness?
Prayer warfare? Whole hedge is fortress..base of attack.
