Art Dixon's Vision

With the inspiration and leadership of the late Art Dixon, former MLA and Speaker of the Alberta Legislature, the

William Aberhart Historical Foundation

was founded in the millennium year 2000.

Spurred on by the frequent encouragements of former Alberta Lieutenant Governor Grant MacEwan, Art's fervent wish was that the life of William Aberhart and his farsighted vision and accomplishments for Alberta might be better known and recalled by all generations.

The **Bible Bill Historical Foundation** renewed the vision of Art Dixon in 2016, and is dedicated to learning and research about Aberhart & those he mentored.
